

Yes, I will Sponsor a class in the RREC annual Benefit Show, this summer at Westwind Acres on Saturday, August 7, 2010.

RREC is a non-profit 501c3 organization with a tax related # EIN:72-1544259. Our goal is to enrich the community via Equine Science, Education and Recreation. Our proceeds have gone toward college scholarships and equipment used in the Equine Curriculum at the Rochester Community College and Technical School. We also funded the Black Stallion Literacy Project for all First Graders at a local Title One School this year. Your **donation of \$20.** per class will help us further our charitable goals. Your sponsorship will be announced at the horse show while one of the 43 classes is in the arena. Your name will also be posted on the arena grounds and published in the annual Southeast Minnesota Saddle Club Association (SEMSCA) directory next year.
