EIN: 72-1544259

Dear _____

Every summer since 2005, we have held a Benefit Horse Show. Many local businesses contributed door prizes for a silent auction or sponsored a class. We raised over \$1,000 for a project that will ultimately benefit Rochester and the Community. The proposed Rochester Regional Equestrian Center will accommodate Rochester's growing needs for an Community arena and educational center that will benefit horse, livestock, and dog programs. The RREC is classified as a public charity under the 509 section of the Internal Revenue Code, ID number 72-1544259.

Can we count on you to sponsor one of the 42 classes in this year's show on August 16th at Westwind? For **\$20**, your business will be announced as a sponsor before each class. *If you want to also remit some coupons for free or discounted items, we would be extremely grateful.* One year, it was a big hit when several classes were awarded ice cream, burger, pizza, sub, and coffee, etc. coupons for their participation. On the enclosed copy of this year's showbill, you can indicate a class preference to sponsor.

Many Thanks,

RREC Board Member
